The Notice of Privacy Practices you have been given describes the uses and disclosures in detail. You are free to refer to this notice at any time before you sign this form. As described in our Notice of Privacy Practices, the use and disclosure of your health information for treatment purposes not only includes care and service provided here, but also disclosures of your health information as may be necessary or appropriate for you to receive follow-up care from another health professional. Similarly, the use and disclosure of your health information for purposes of payment includes (1) our submission of your health information to a billing agent or vendor for processing claims or obtaining payment; (2) our submission of claims to third-party payers or insurers for claims review, determination of benefits and payment; (3) our submission of your health information to auditors hired by third-party payers and insurers; and (4) other aspects of payment described in our Notice of Privacy Practices.
